

# Update Facility Food Safety Compliance

1. Login to <https://partnerpass.krogerapps.com/>

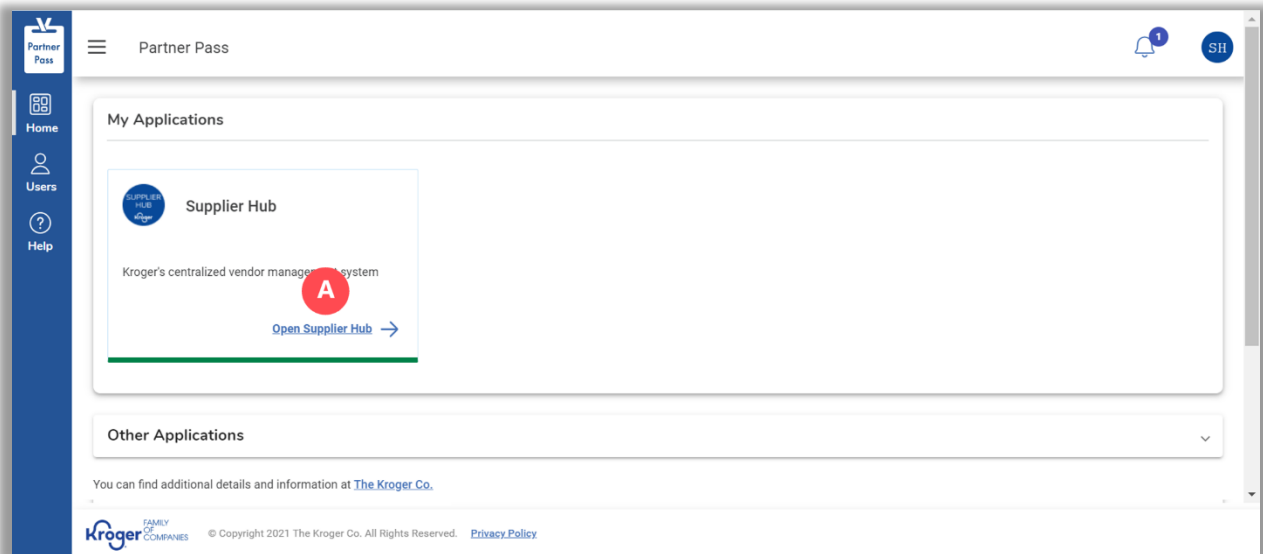

**Note:** Partner Pass is a secure single sign-on dashboard that allows you to access multiple Kroger applications with one ID and password.

Partner Pass works with the Okta Verify app to allow you to verify your identity and make it less likely that someone pretending to be you can gain access to your account.

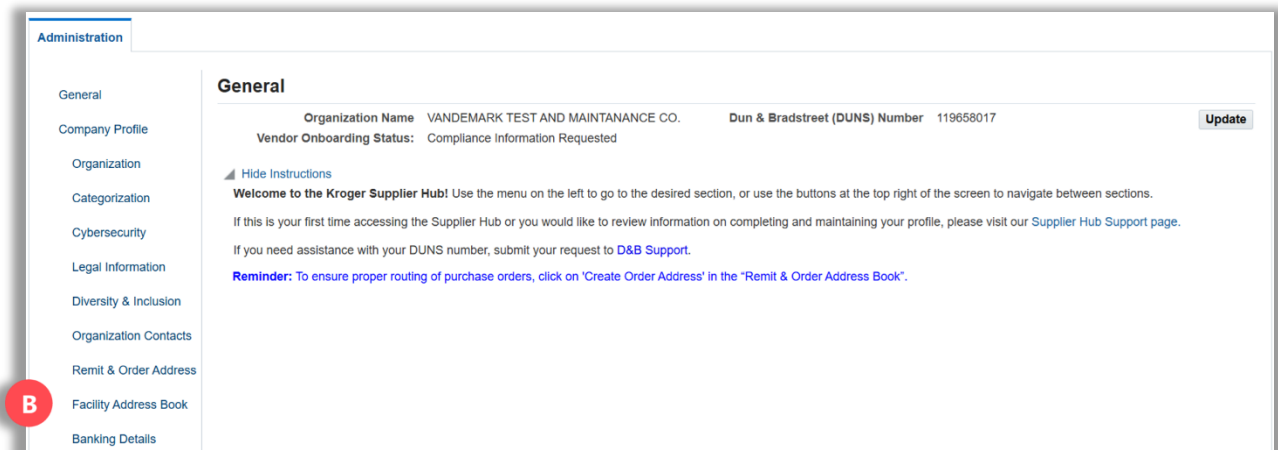

For additional information, please see:

- [Partner Pass information page](#)
- [Partner Pass support page](#)

2. On the Supplier Hub tile, click **Open Supplier Hub (A)**.

3. Click **Facility Address Book (B)**.

4. Click the **pencil icon (C)** for the facility you want to update.

**Facility Address Book**

Organization Name VANDEMARK TEST AND MAINTANANCE CO. Facility Name: New  
 Facility Address 2375 Indian Mound Ave, Cincinnati, OH, OH, US

**Hide Instructions**

All suppliers are required to abide by Kroger's Food Safety policy. All required fields must be completed.

**GFSI (Global Food Safety Initiative) Certification** is required of all suppliers providing:

- Kroger Private Label food products (including pet/animal food such as treats and chews)
- Kroger Private Label dietary supplements/vitamins
- Any ingredients and food contact packaging/materials provided directly to Kroger Manufacturing plants/stores/commissaries
- Bulk food items requiring scaling, packaging, staging or other further processing prior to being sold, such as produce, meat, seafood, grocery, deli/bakery items

**3rd Party Food Safety/Good Manufacturing Practices (GMP) Audits** are expected of all suppliers providing:

- Kroger Private Label non-food products such as health & beauty care, cosmetics, over-the-counter drugs, and food-related paper/plastic (wraps, foils, plates, cups, bags, utensils, etc.)

**Animal Welfare Audits** are required for any facility that:

- Slaughters animals or harvests eggs

Additional documentation may be required based on regulatory requirements and evaluation of the risks posed by the product and supplier's performance. All documents must be in English to be considered for approval. For instruction on completing this section, view our job aid: [Update Facility Food Safety Compliance](#).
